- T.N.: [a] This group probably should be a group for a year between 1910-1917.
- [b] This initial would probably be taken for a garble if it were not for the fact that in No. 1830 of 29 Dec 1944 this same address appears in a telegram signed by BORIS.
- [c] Inserted by translator.

Comments: [i] Possibly the FACTORY [FABRIKA] (i.e. the Amtorg Trading Corporation. Cf. S/NBF/T167, in which arrangements are suggested which would enable ANTON to visit the PLANT [ZAVOD] (i.e. the Soviet Consulate-General in NEW YORK) more frequently.

[ii] FABRIKA: the Amtorg Trading Corporation.

[iii] STRANA: the United States of America.

[iv] Presumably the Hercules Motors Corporation of CANTON, OHIO.

[v] Not available. See S/NBF/T245 (NEW YORK's message of 23 Aug. 1944, external serial no. 1203) in which MAJ asked for 1000 dollars to expand "ODESSITE's enterprise" (concerned with the manufacture of dies [ShtAMPY]).
